

MACROECONOMIC PRESSURES AND THE CAPITAL MARKETS

Dec 1, 2022

10:30AM-12:00PM AGENDA

Description

With the backdrop of general economic uncertainty, inflation, rising interest rates, and continued disruption in the supply chains, how are developers and CDFIs managing their approaches to capital markets? Who are some of the newer entrants? What are their incentives and what kind of capital are they offering? How are developers and CDFIs responding, and how can they best work together?

10:30 – 11:45am

Discussion starters:

Tucker Bartlett, Executive Vice President, Self-Help

Matt Franklin, President & CEO, MidPen Housing

Open discussion/peer exchange

11:45am – 12:00pm
