

# Modular Construction Technologies for Savings and Efficiencies

Dec 6, 2018

## 10:30 – 12:00 AGENDA

**Terrebonne** Members are increasingly looking at modular construction to cut costs, save time, and ensure quality. The Turner Center's Carol Galante, who also runs the Innovation Lab at Factory OS, a recently-created venture that builds homes in a factory, will help us explore the state of modular construction, the pros and cons, and the hows and whys. Members will share their experiences on what has worked and what hasn't.
