

## CFO Community of Practice Roundtable

December 7, 2018

### 8:30 – 10:00 AGENDA

#### ROOM NAME

**Objective:** Following up on the cyber security discussion in Minneapolis, we'll start our session with an update on how members are implementing best practices to protect their organizations from attacks. Then we will spend the remainder of the session focused on the challenges of attracting and retaining qualified accounting and finance staff for your organizations.

8:30 – 8:35 **Introductions and Welcome**

- Kevin Myren, CommonBond Communities, CFO COP Co-chair

8:35 – 9:00 **Cyber Security Discussion**

- Mick Vergura, The Community Builders, will share how his organization utilized a cyber security survey to develop a plan for mitigating cyber security risk

9:00 – 9:55 **Attracting and Retaining Accounting and Finance Staff**

- Donna Angelico, Human Resources Director and Tom Washburn, Partner at AAFCPAs will start our discussion by sharing how their firm is approaching the hiring of new staff and retention of existing staff in the current competitive market for qualified employees.

9:55 **Wrap Up and Next Steps**

10:00 **Adjourn**
