

## AGENDA

### Navigating the Climate Funding Landscape

CONCURRENT SESSION

Friday, June 7<sup>th</sup> • 10:30AM – 12:00PM

**Description:** The landscape of support for sustainable, resilient, climate-ready development and rehabilitation is shifting all the time. Members and HPN staff will provide updates on the latest advancements with the Greenhouse Gas Reduction Fund (GGRF) and learn from fellow members as they discuss the steps needed to translate pipelines into financed projects.

**Welcome:** Meaghan McCarthy, HPN

#### **Discussion:**

##### GGRF Update

- EPA GGRF Awards - what we know, what we don't, HPN's next steps
- *Questions and discussion*

##### Preparing for GGRF Funding

- Raza Development Fund:
  - Adrian Ruiz, Deputy Chief Investment Officer
- Enterprise Community Development:
  - Janine Lind, President
  - Matt Engel, Senior Director of Real Estate Development

**Wrap-Up:** Patrick Kelley, HPN

#### **Additional Resources:**

- EPA National Clean Investment Fund (NCIF) and Clean Communities Investment Accelerator (CCIA): [Award Announcements](#)
- EPA Solar For All: [Award Announcement](#)
- [Affordable Housing Decarbonization Hub](#): A resource library with access to experts to help answer questions from affordable housing developers and other stakeholders
